**ATLANTIS PRESENTS THE FIRST ALL-GAY CRUISE
ON THE REVOLUTIONARY ANTHEM OF THE SEAS**

WEST HOLLYWOOD, CA, <December 17, 2015> - Atlantis Events, Inc., the world's largest gay and lesbian vacation company, makes history in 2016 with the first charter of Royal Caribbean's revolutionary 4200-guest *Anthem of the Seas* megaship sailing from New York City. This legendary voyage marks the celebration of Atlantis' 25th anniversary.

Anthem of the Seas brings Atlantis guests more innovative experiences than any other ship, including North Star – a sky ride soaring 300 feet above the ocean, RipCord skydiving simulator, and 18 dynamic restaurants. Innovative venues such as Two70 theater, Music Hall concert space, and the massive SeaPlex sport and entertainment complex create spectacular places for Atlantis' legendary parties and performers. As befits a cruise from New York, Atlantis features non-stop superstar entertainers, including many signature Atlantis performers from the past 25 years. And in true Atlantis tradition, a feature star will be named very soon. Past entertainers have included Jennifer Hudson, Rosie O'Donnell, Patti LuPone, Roseanne Barr, Wayne Brady, and more.

Atlantis President Rich Campbell says, "Our guests have been asking us for this incredible ship since she was first announced and we're thrilled to be the first to charter her. There simply never has been an Atlantis cruise with so much to offer and it's the perfect way for us to usher in the new generation of all-gay cruises!"

This unique all-gay cruise sails from New York on May 21, 2016 to Port Canaveral, Nassau, and the private island of Coco Cay -- arriving back to the city on Memorial Day Weekend. Fares start at \$999USD per person.

The Atlantis 2016 Anthem Caribbean Cruise complements the company's other cruises and resort vacations to Tahiti, the Mediterranean, Mexico, and the Caribbean. Complete details can be found at atlantisevents.com or by calling 310-859-8800.
